

How to Measure Your Mobility Scooter

Before you order your mobility scooter cover, you will need to carefully measure it to ensure you are selecting the right one. Our guide below will walk you through the steps to correctly and accurately measure your mobility scooter to ensure you get the best fit.

Please round up your dimensions to the nearest inch.

Additional Tips

Try laying your tape measure on the ground alongside your mobility scooter for easy measuring.

If no cover matches your exact dimensions, choose one that is slightly larger.
